

NBAA Workers' Compensation Insurance Program

Since 2009 this exceptional program has paid out in excess of \$3.6 million in dividends to our customers.

The NBAA Workers' Compensation Insurance Program provides a high quality, cost effective solution to aviation workers' compensation coverage. NBAA member benefits:

- Aviation workers' compensation insurance at competitive premiums
- Opportunity to receive a cash dividend.* Participating NBAA members have earned significant cash dividends every year since 2009 due to the excellent loss experience of the group.
- Broad coverage tailored to the needs of aviation businesses including flight and ground operations
- Access to workplace safety and loss control resources
- A dedicated, proven aviation insurance partner approved in all available states

Exclusively available to NBAA members.

The NBAA Workers' Compensation Insurance Program was introduced in 2009 to provide high quality coverage for NBAA member companies. Insurance contracts are issued by: Old Republic Insurance Company.

All NBAA members who operate aviation-related businesses are eligible for this insurance program regardless of size or member category. This includes all size flight departments, from single aircraft operations to multi-aircraft flight departments. Policies cover each employee involved in the company's flight operation including pilots, maintenance technicians, flight attendants, flight department managers, aircraft operators and administrative personnel. In addition there are provisions for companies using contract pilots, contract flight attendants and other contract crew.

Insureds' point of contact.

Insureds are kept closely apprised of the status of open claims. Our in-house workers' compensation managers will also initiate frequent communication with the injured employee and the medical providers.

Broad network of medical providers.

Injured employees have accessibility to a nationwide network of physicians and hospitals which provide quality care at competitive prices. Old Republic Aerospace's unique strategy is designed to achieve optimum return-to-work results for injured employees.

24-Hour claim reporting.

Early claim reporting and assignment can help lead to better outcomes. We offer several claim reporting options, available 24 / 7 / 365.

Risk Control Services:

Our in-house risk control team provide complimentary, comprehensive, personalized risk management services to assist in mitigating loss exposures, control costs and improve processes in conjunction with our claims services.

Obtaining a quote is easy.

NBAA member companies that are not participating in the Workers' Compensation Insurance Program, but would like to know more, should contact their local aviation insurance agent or visit: www.OldRepublicAerospace.com.

Become a member of NBAA.

To take advantage of this program, you must join the Association. For more information about becoming a NBAA member, visit www.NBAA.org/join.

* Dividends are declared by Old Republic International Corp.'s Board of Directors and are dependent upon the NBAA group loss experience and therefore are not guaranteed. Past dividends should not be considered as an indicator of future performance.

Old Republic Aerospace - Premier Product Offerings

Business Aircraft / Corporate Aviation

Old Republic Aerospace can provide an extensive set of aircraft liability and physical damage coverages for today's general aviation aircraft. Aircraft physical damage limits up to \$35 million and liability limits of up to \$300 million are available for qualified accounts. Coverages can be combined to match an insured's unique set of risks.

Commercial Aviation

We offer insurance coverage for a wide range of commercial aviation businesses including UAS operations, privately owned airports, MROs, FBOs, charter operators, university flight programs aerial photography, sight-seeing, aircraft repair and service and fueling operations just to name a few.

Workers' Compensation

Our highly skilled, in-house workers' compensation team provides comprehensive workers' compensation coverage and claims service to a wide variety of aviation-related operations. Program offerings include guaranteed cost and loss sensitive programs, repatriation expense for foreign travel, sliding scale dividend programs and the NBAA Workers' Compensation Insurance Program - exclusively for NBAA members.

Manufactured Products

We can offer an aviation manufactured products liability policy protecting a manufacturer against third party legal liability arising from physical damage or bodily injury as a result of an alleged aviation product failure or defect. Liability limits are available up to \$100 million CSL including property damage, bodily injury and grounding liability.

Airlines

The Old Republic Aerospace in-house underwriting and claim experts are highly trained, experienced and well positioned to serve the airline industry. We offer a comprehensive range of products and services for all airline operations.

Airports and Government Entities

Our airport and government entity team has the expertise to underwrite comprehensive and competitively priced products. We provide specialized industry-specific products and services for commercial and general aviation airport operators and government/ municipal aircraft (fixed-wing and rotor-wing).

Agricultural Aviation

We can provide a full array of aircraft physical damage and liability coverages designed for aerial applicators operating piston or turbine powered aircraft, fixed-wing or rotor-wing. In addition, we offer an agricultural aviation policy form - a broad, updated policy form for aerial applicator coverage.

Light Aircraft / Pleasure & Business

In addition to Hull, Liability and Medical Expense coverages, we offer a broad array of contingent coverages for light aircraft including use of non-owned aircraft, hurricane relocation expense reimbursement, search and rescue, runway foaming, extra expense for renting a replacement aircraft and much more.

Specialized Claims Services

Our dedicated, in-house claims specialists have extensive experience in managing all facets and types of aviation claims. It is our mission to act with the utmost professionalism while serving to protect the interests and integrity of our clients by promptly and fairly resolving claims. We strive to maintain and enhance the public's impression of our policyholders, permitting our clients to return to their normal operations as rapidly and seamlessly as possible.

Risk Control Services

We assist our clients in mitigating the frequency and severity of losses through risk control, a comprehensive service provided by Old Republic Aerospace. Our in-house risk control professionals help our clients improve safety, reduce risk exposures, control loss costs and facilitate programs to enhance operational performance.
